Greater Flint Health Coalition 2020 Strategic Business Plan

“COLLECTIVE IMPACT ROAD MAP TO IMPROVED HEALTH STATUS IN GENESEE COUNTY/FLINT”

We will collectively measure and report our progress using the following metrics:

• % of residents reporting the practice of a healthy lifestyle
• % of residents practicing recommended levels of physical activity
• % of children ever or overweight
• % of adults who are obese or overweight
• % of residents who report tobacco use
• % of residents with health care coverage of a basic and essential nature
• % of insured individuals who experience medical needs in the last 12 months
• % of children covered by insurance
• # of residents reporting episodic care
• # of residents with documented advance care directives available in their patient medical record
• % of adults with unmet mental health needs
• Rate of mortality from diabetes
• Rate of mortality from cardiovascular disease
• Rate of infant mortality in the community
• % of residents reporting depression
• % of residents with documented advance care directives available in their patient medical record
• % of children ever or overweight

2020 STRATEGIC BUSINESS PLAN

Collaborative Programs, Customer Relationships, and Task Forces

CUSTOMER: RESIDENTS OF GENESSEE COUNTY

VISION: A HEALTHY GENESSEE COUNTY COMMUNITY PRACTICING HEALTHY LIFESTYLES WITH ACCESS TO THE BEST AND MOST COST-EFFECTIVE HEALTH AND MEDICAL CARE

DIVERSITY & HEALTH Equity

To assist a broad base of community leaders and stakeholders in all areas of health and health care in understanding and addressing the multifaceted social, racial, environmental, and economic factors that impact the health of individual communities. To keep frontline and center the issues of ethnic & racial disparities and health equity in all work of the Coalition.

MISSION

Improve the health status of our residents. Improve the quality and cost effectiveness of the health care system in our care system.

CORE VALUES:
Consensus, Collaboration, Fairness, Integrity, Continuous Improvement, Innovation, Public Participation
