PROJECT COORDINATOR/MANAGER HEALTH INNOVATION STATE INNOVATION MODEL (SIM) Greater Flint Health Coalition – Flint, MI

Greater Flint Health Coalition (GFHC) is seeking a Project Coordinator to work in our growing Health Innovation focus area.

Overview:

This position will initially support GFHC regional State Innovation Model (SIM) program design and implementation, including convening multidisciplinary teams, committees, task forces. Daily responsibilities will include: data compilation and analyses, database management, committee support including agendas and minutes, best-practice research, community health improvement plan design and implementation, procedure maintenance, development of communication materials, and program documentation to support GFHC strategic plans.

As a full-time Project Coordinator, this exciting position and your specific projects, tasks, and responsibilities will evolve over time. Flexibility and a commitment to continuous learning will be required of the successful candidate. A skill set based in public health, health care service, and data analysis knowledge will be vital to this work to improve the factors that affect health via multi-sector partnership activities.

Primary Responsibilities:

- Assist with the planning, support, management, and execution of committees, task forces, and community education projects in collaboration with cross-functional teams composed of practice and hospital partners, health care providers, physicians, insurers, family groups, social service agencies, and the community at-large.
- Provide committee and task force staffing, ensuring responsiveness to partner requirements, inputs, and concerns. Collaborative processes include timely material preparation, agenda development, minutes, program/grant development, workplan execution, and the completion of required committee follow up resulting from consensus decision making.
- Data entry and analysis, including ongoing health dashboard maintenance as required.
- Engage healthcare leaders, providers, physicians, practice managers, and ancillary staff in incorporating evidence-based best practices into standards of care.
- Manage project timelines, activities, documentation, and deliverables while maintaining alignment with multi-sector partner objectives and grant / project workplan requirements.
- Collect and analyze data to inform community needs and project outcomes; assist with planning, implementing, monitoring, and evaluating programs; prepare reports and share best practices with multi-sector stakeholders.

- Participate in quality assurance, continuous improvement efforts, identifying system and process issues.
- Develop proposals in response to identified grant opportunities supporting the activities and initiatives of the organization's business plan.
- Other tasks as assigned.

Qualifications & Experience Required:

Successful candidate profile:

- Bachelors Degree in health or related field; Masters degree (MPH, MHSA, or MS) is a plus.
- Experience and a passion for public health, universal healthcare access, health data, quality innovations, and/or health projects that seek to build alignment amongst multi-sector organizations in a collaborative, team-oriented style.
- Demonstrated ability to manage tasks, meet deadlines, and work effectively within structured and time sensitive environments. Experience creating and managing work plans and time-sensitive deliverables and deadlines.
- Characteristics required for thinking strategically, innovating, and engaging multi-sector stakeholders in a manner that builds alignment and creates measureable improvement in project metrics.
- Ability to integrate a diverse skill set (technical, analytical, theory, research, relationship building) to improve desired program outcomes.
- Mastery of computer/software applications, including Microsoft Office Suite – Outlook, Word, Excel, PowerPoint, etc.
- Excellent interpersonal, written and oral communication skills and an ability to present oneself in a courteous, tactful, and professional manner.
- Considerate, attentive, and punctual.
- Demonstrated ability to take initiative and to work proactively, both independently and in teams; excels in an open office environment.
- Great passion for the mission, vision, and values of the Greater Flint Health Coalition and able to promote both internally and externally.
- Motivated and career-oriented.
