

COMMIT TO FIT! HEALTHY WORKPLACE DESIGNATION

Purpose of Certification

This certification aims to acknowledge businesses actively working to improve the health of their employees by providing workplace wellness programming and a healthy work environment.

Benefits of Certification

- Award recognition:
 1. Website
 2. Newsletter
 3. Other media outlets
- Certified Healthy Workplace Designation Signage

When employees are encouraged to engage in healthy habits at work, those strategies translate to their families and consequently the entire community. Supporting a healthy workforce supports a healthy community.
