The Greater Flint Health Coalition is the lead agency for the FHEO Program. Formed in 2002, thanks to the vision of the Charles Stewart Mott Foundation, the FHEO Program has now been identified by GST Michigan Works! as the lead healthcare service provider for the Workforce Innovation Opportunity Act (WIOA) Career Services (Adult and Dislocated Workers Program) and WIOA Out-of-School Youth Services.

The FHEO Program’s partner organizations make our work to assist residents with training and education for future healthcare careers a shared success by helping participants find sustainable careers while helping meet the needs of local healthcare employers. In addition to our funders, FHEO Program partner organizations include, but are not limited to:

- McLaren Flint
- Hurley Medical Center
- Genesys Health System
- Hamilton Community Health Network
- GST Michigan Works!
- Charles Stewart Mott Foundation
- Flint STRIVE
- Mott Community College
- Mott Workforce Development
- Genesee Intermediate School District
- University of Michigan-Flint

The purpose of the FHEO Program is to assist unemployed and underemployed residents of Flint and Genesee County with obtaining training and employment in the healthcare industry.
