EMPOWERING FAMILIES

- Each of your children can have their own Family Supports Coordinator that will address their individual needs
- You will be able to meet with your Family Supports Coordinator up to six times per year for each child

We are here to help your child learn, live and play in a healthier community.

To get connected with a Family Supports Coordinator, call **810.257.3777** and a member of Genesee Health System will assist you.
